

## Itinerary: Texas Solar Eclipse Tour - April 2024

---

- Saturday, April 6<sup>th</sup>: Arrive in San Antonio from your home city. Check in to your assigned hotel. Remainder of the day is at leisure to familiarize yourself with your hotel and its surroundings. Dinner will be on your own this evening.
- Sunday, April 7<sup>th</sup>: Morning at leisure, following your included breakfast at the hotel restaurant. Consider visiting the Alamo historical landmark, walking along the famous Riverwalk tourist area, or taking a 30-minute Riverwalk Boat Tour to see the entire length of this renowned visitor attraction. In the afternoon, there will be a pre-eclipse briefing and Q and A session. Some participants may wish to travel to the observing site to align/set up their equipment for tomorrow's eclipse. (B)
- Monday, April 8<sup>th</sup>: **ECLIPSE DAY!!** After a light breakfast, we board our motor coaches bound for our reserved observing site, some 90 minutes from San Antonio. We will arrive well before first contact (the start of the partial phases of the eclipse). Cold refreshments and a variety of light snacks will be provided to you. Following the end of the eclipse, we will have an early dinner/meal on site, to allow for traffic to dissipate before returning to San Antonio. (B, S, D)
- Tuesday, April 9<sup>th</sup>: Following breakfast, check out of your hotel room and make your way to San Antonio International Airport for your onward flight home. (B)
