

Preliminary Itinerary: Texas Solar Eclipse Tour - April 2024

- Saturday, April 6th: Tour group members individually arrive in San Antonio, TX from their home cities. Check in to their assigned rooms at the elegant Hotel Valencia Riverwalk. Remainder of the day is at leisure to familiarize yourself with this luxurious hotel and its surroundings. Dinner will be on your own this evening.
- Sunday, April 7th: Morning at leisure, following your included breakfast at the hotel restaurant. Consider visiting the Alamo historical landmark, walking along the famous Riverwalk tourist area, or taking a 30 minute Riverwalk Boat Tour to see the entire length of this renowned visitor attraction. Some participants may wish to travel to the observing site to align/set up their equipment for tomorrow's eclipse. (B)
- Monday, April 8th: **ECLIPSE DAY!!** After a light breakfast, we board our motor coaches bound for our reserved observing site, some 90 minutes from San Antonio. We will arrive well before first contact (the start of the partial phases of the eclipse). Cold refreshments and a variety of light snacks will be provided to you. Following the end of the eclipse, we return to the Hotel Valencia Riverwalk for our celebration dinner.
- NOTE:** *the dinner venue may be moved from the Valencia to another, short walk property. (B, S, D)*
- Tuesday, April 9th: Following breakfast, you check out of your hotel room and make your way to San Antonio International Airport for your onward flight home. (B)
