

## Preliminary Itinerary: Texas Solar Eclipse Tour 2024

- Saturday, April 6<sup>th</sup>: Tour group members individually arrive in San Antonio, TX from their home cities. Check in to their assigned rooms at the Omni La Mansión del Rio Hotel. Remainder of the day is at leisure to familiarize yourself with this luxurious hotel and its grounds. Dinner on your own this evening.
- Sunday, April 7<sup>th</sup>: Morning at leisure, following your included breakfast at the hotel restaurant. Consider visiting the Alamo historical landmark, walking along the famous Riverwalk tourist area, or taking the 30 minute Riverwalk boat tour to see the entire span of this renowned attraction. Dinner on your own tonight. (B)
- Monday, April 8<sup>th</sup>: ECLIPSE DAY! After breakfast, we board our motor coaches for our exclusive observing site, some 90 minutes from San Antonio. We will arrive well before first contact (start of the partial phases of the eclipse). Refreshments and snacks will be available during our stay at the site, and we are investigating setting up of a lunch service while on site as well. Following the end of the eclipse, we return to the Omni Hotel for a gala celebration dinner. (B, S, D)
- Tuesday, April 9<sup>th</sup>: Following breakfast, you check out of your hotel room and make your way to San Antonio International Airport for your onward flight home. (B)
